Rising prices of pulses

490. SHRI J. P. GOYAL: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether Government are aware of the increasing prices of pulses in the market;

(b) if so, what are the reasons therefor; and

(c) what steps have been taken to check the rising prices of pulses and to what extent these have been successful?

THE MINISTER OF FOOD AND CIVIL SUPPLIES (RAO BIRENDRA SINGH): (a) There has been rise in the prices of some pulses in recent months.

(b) The increase in prices may be mainly attributed to the gap between demand for and supply of pulses and the seasonality factor.

(c) Efforts are being made to increase the production of pulses. The import of pulses is allowed under the Open General Licence. Pulses are also being sold through cooperative stores and Super Bazar.

STATEMENTS BY MINISTERS

I. Correcting the reply given in the Rajya Sabha on the 25th January, 1985 to Starred Question 119 regarding the purchase and sale prices of edible oils.

THE MINISTER OF FOOD AND CIVIL SUPPLIES (RAO BIRENDRA SINGH): Sir, I invite the attention of the House to the statement laid on the Table of the House on 25-1-1985 in reply to Starred Question No. 119 by Shri Vithalbhai Motiram Patel regarding the sale and purchase prices of edible oils. The statement contained, *inter alia*, average purchase price of imported oil per ton based on the information furnished by the State Trading Corporation which is the canalising agency for edible oils. On futher scrutiny of the figures given in the reply, it has been found that while calculating the average purchase price, due to arithmetical error, a mistake had occurred. I, therefore, place the revised statement, after correcting the figures of average purchase price, on the Table of the House. Sir, the error is regretted.
